1) - Living The Current Times

A Place of Everyday Life Open Daily From May 12, The Gaîté Lyrique wants to be a "Lived In" Place Day and Night, Weekdays and Weekends, offering Everyone a Living Space where they can Feels Good. This Place located in the Heart of Paris pursues the Objective of Animating and Decompartmentalizing Communities from Multiple Horizons and Territories which mingle, interact and are, therefore, able to Create a Collective. La Fabrique of the Time, from its Work In Progress Phase, asserted itself as a Real Antidote to Withdrawal and Dark Ideas.

2) - Creating The Era, A Place Of Celebration And Commitment

The Artistic Vision of the Factory Of The Time is Plural. Like a Partition With Several Voices, it is composed around Each Associated Partner. It feeds on their Uniqueness while relying on a Base of Common Values, foremost among which are Decompartmentalization, Depolarization and Commitment. The Polyphony Specific to this Story about Our Time is Necessary Today to embrace its Complexity and bring out its Unity.

For the Project to be Readable and Understood by a Large Number of People, The Gaité Lyrique - The Factory Of The TIme Manufactures a Very Clear Programming Mechanism, Program Schedule, with its Appointments and Habits. Each Year is broken down into 3 Seasons and 4 Months. Each Season is marked by a Theme. Each Theme is thought in Close Connection with Invited Collectives.

Since its Opening in 1862, The Galté Lyrique has never ceased to embody Its Era: from the Temple Of Operetta to that of Digital, from Jacques Offenbach to Silvia Monfort, passing by Jean Chalopin and his Magic Planet, each and everyone has, in his Own Way, remodeled the Place according to the Vision of "his" Time then. Today, this New Chapter in the History of the Galté Lyrique does not place it at the Place of the Observation of Upheavals of the Time, but hoists to the Place of Action.

La Galté Lyrique is Parisian, Ile-de-France, French, European and draws the Contours of a World Culture. Each of these Scales is taken into account in the Day-To-Day Programming of the Place. For 30 Years, the European Cultural Channel ARTE has been brilliantly proving that it is Possible to reconcile Local and Global, Demand and Audience, Knowledge and Pop Cultures.

This Inspiration for The Galté Lyrique is located precisely there, in these small and which seem so obvious... These and which create a Link where you do not necessarily expect it, between Entrepreneurship and Civic Engagement as promoted by SINGA and Makesense, between Debate of Ideas and Musical Creation as defended by Arty Farty, and finally, between Culture and Citizenship as the Appearance of a Single Voice by the Five partners of this Project.

To implement this Vision, No Disciplinary Limits are set. The Galté Lyrique wants All Artistic Fields to dialogue with the Social Sphere, Thought, Gastronomy, Media, Sport, Ecology, Creative Industries, Childhood and Adolescence. It is at the Crossroads of all these Fields that Popular Cultures are born, Markers of Our Time.

3) - Sharing The Era: A Place Of Amplification

La Gaîté Lyrique - The Factory of the Time is preparing to accompany and connect those who act on a Daily Basis to positively transform Our Lives. Artists, Cultural Organizations, Activists, Scientists, Social and Solidarity Economy Companies and Communities come to The Gaîté Lyrique to strengthen Their Projects, enrich themselves with Perspectives and Diverse Skills and cooperate, all while making Culture and Arts Levers to widely mobilize and concretely change Things.

It is more Important than Ever to support the New Generations, to develop their Capacity to undertake, to put them in a Network, to enable them and to forge Cooperation. Today, it is Crucial to value their Commitments as well as their Environmental, Social and Societal Responsibilities.

4) - A virtuous Ecosystem

La Factory Of The Time is therefore the Alliance of the Skills of All the Partners and their Ecosystems to offer
* 1. An Open and Siversified Program
